

INTERNATIONAL ALLIANCE AGAINST HUNGER

Diversity is our strength

The International Alliance Against Hunger (IAAH) is a voluntary association of local, national and international institutions and organizations with a common mission to eradicate world hunger and poverty through a combination of political will and practical action.

The IAAH also supports individual countries in setting up National Alliances that will focus on their specific needs.

High-Level Conference on World Food Security: The Challenges of Climate Change and Bioenergy Rome, 3-5 June 2008

I
cannot accept hunger in a world of plenty ...

My Personal Declaration

This conference is expected to conclude with the approval, by Governments, of an official Declaration, in which they commit themselves towards ending hunger and malnutrition.

If you are present at the conference in any capacity and want to make a Declaration, please use this form and place it in the marked boxes.

I,
..... (name) (occupation)
declare my commitment to do everything that I can, both in my personal life and my work, towards eradicating hunger and malnutrition in (my country), and throughout the world.
